**No Processing of Candidates  
for the Canada's Atlantic Immigration Pilot (AIP) Program in POEA**

The public is hereby informed that the Atlantic Immigration Pilot (AIP) is a pathway to permanent residence for skilled foreign workers and international graduates who want to work and live in one of Canada's four (4) Atlantic Provinces: Newfoundland and Labrador, Prince Edward Island, Nova Scotia and New Brunswick.

The AIP is an employer-driven program designed to help employers in Atlantic Canada hire qualified candidates for jobs they have been unable to fill locally.

To date, no agreement has been entered into between the government of the Philippines and the government of Canada on the documentation and deployment of candidates under the AIP. Hence, there are no candidates for the program being processed under POEA regulations, neither through private recruitment nor through the government-to-government pathway.

For the information and guidance of all concerned.
