Concerned EPS workers must undergo medical examination only from accredited clinics and to secure their medical certification. They are instructed to report immediately

to the Recruitment & Documentation Division, Government Placement Branch, Ground floor
POEA for submission of their valid medical (Pre-employment medical exam and tuberculosis test)
and training certificates, passport and other documentary requirements. **The Korean Embassy
has issued an instruction on the need to submit the NBI Clearance, valid
for three (3) months from date of issuance when applying for a Korean visa.**

Please be advised that **ninety one (91) EPS workers** were denied entry to Korea and sent back
to the Philippines on that same day due to passport forgery.

You are also reminded that the Ministry of Justice, Korea has installed fingerprint scanners
and face identification machines at 22 airports and harbors including the Incheon International
Airport, Gimhae International Airport and Incheon Port. The fingerprint scanning started on 1
September 2010 to prevent foreign nationals with forged identification from entering Korea.

For clarification as to the above stated information, please call 722-1174/ 7221177

Government Placement Branch, POEA.

For information and guidance of all concerned.
