Concerned EPS workers must undergo medical examination only from accredited clinics and to secure their medical certification. They are instructed to report immediately to the Recruitment & Documentation Division, Government Placement Branch, Ground floor POEA for submission of their valid medical (Pre-employment medical exam and tuberculosis test) and training certificates, passport and other documentary requirements. **The Korean Embassy has issued an instruction on the need to submit the NBI Clearance, valid for three (3) months from date of issuance when applying for a Korean visa.**

Please be advised that **ninety one (91) EPS workers** were denied entry to Korea and sent back to the Philippines on that same day due to passport forgery.

You are also reminded that the Ministry of Justice, Korea has installed fingerprint scanners

and face identification machines at 22 airports and harbors including the Incheon International Airport, Gimhae International Airport and Incheon Port. The fingerprint scanning started on 1 September 2010 to prevent foreign nationals with forged identification from entering Korea.

Furthermore, the Korean government implemented in 27 November 2017, the new criteria for issuance of CCVI. Under the new criteria, workers who stayed in Korea for more than five (5) years using E-9 (non-professional employment) and E-10 (vessel crew) visa categories can no longer enter Korea for employment purposes.

For clarification as to the above stated information, please call 722-1174/ 7221177

Government Placement Branch, POEA.

For information and guidance of all concerned.
