Concerned EPS-Sincere workers must report immediately to the Recruitment and Documentation Division Government Placement Branch, Ground Floor, POEA for submission of their valid NBI, Passport, valid medical (Pre-employment medical exam and tuberculosis test) and processing of their Visa and Overseas Exit Clearance/E-receipts and payment of Airline Ticket.

**The Korean Embassy has issued an instruction on the need to submit the NBI Clearance, valid for three (3) months from date of issuance, when applying for a Korean visa.**

Please be advised that sixteen **(16) Sincere workers** were denied entry to Korea and sent back to the Philippines on that same day due to passport forgery.

You are also reminded that the Ministry of Justice, Korea has installed fingerprint scanners and face identification machines at 22 airports and harbors including the Incheon International Airport, Gimhae International Airport and Incheon Port. The fingerprint scanning started in September 2010 to prevent foreign nationals with forged identification from entering Korea.

Furthermore, the Korean government implemented in 27 November 2017, the new criteria for issuance of CCVI.

Under the new criteria, workers who stayed in Korea for more than five (5) years using E-9 (non-professional employment) and E-10 (vessel crew) visa categories can no longer enter Korea for employment purposes.

For clarification as to the above stated information, please call 722-1174/ 7221177, Government Placement Branch, POEA

For information and guidance of all concerned.
