

### **HIRING OF FOREIGN WORKERS BY MALAYSIAN PLACEMENT AGENCIES**

The Philippine Overseas Labor Office (POLO) in Kuala Lumpur had reported that the Persatuan Agensi Perkerjaan Asing (PAPA) or the Malaysian Association of Foreign Maids Agencies will continue to hire foreign workers for Malaysia. The PAPA has decided to reconsider its earlier decision to stop the hiring of foreign workers in protest of the new rules implemented recently by the Malaysian government on labor importation. The hiring of foreign workers is now in full swing.
