

ADVISORY NO. 26
Series of 2018

In view of the implementation of the new e-Submit Contracts Processing System, all landbased overseas worker-applicants, **including those who have previously worked abroad**, are temporarily required to take and complete the mandated Pre-Employment Orientation Seminar (PEOS) Online prior to submission of application to a licensed recruitment agency. As such, all licensed recruitment agencies are obliged to ensure that all their applicants have taken the mandatory PEOS Online before accepting any application, and that the applicants by themselves have taken it. They should check the name of an applicant from the database of users who have completed the PEOS Online¹.

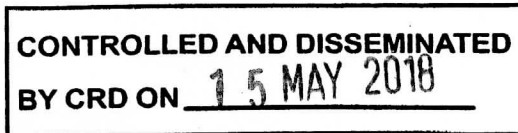

This temporary measure shall take effect immediately until June 30, 2018, when the new system has been enhanced and has integrated the data of former OFWs with prior deployment record in POEA.

Failure to comply with this Advisory may compel this Office to initiate appropriate complaint for violation of Section 143 (o) and/or (kk) of Rule I, Part VI of the Revised POEA Rules and Regulations Governing the Recruitment and Employment of Landbased Overseas Filipino Workers of 2016 including the Liability clause.

For the information and guidance of all concerned.
